A Catholic Academy for Girls
Weekly News – 2023/2024 Issue 9
10th November 2023

Dear Parents/Guardians

I want to focus this week's headteacher update on a very important issue. As we navigate the complexities of the current events in Gaza, I wanted to provide you with an update on the efforts we have been making at school to support our students and foster understanding.

During the week beginning October 16th, we held assemblies, led by Senior Leaders using resources from the organisation "Solutions Not Sides". These sessions aim to provide students with information and perspectives on the crisis. Additionally, we offered listening workshops with Mr Challis and myself, giving students a platform to share their thoughts and feelings. In response, many students have expressed a desire for more education on the conflict. To address this, we are planning to organise further workshops, featuring external speakers. Our goal - despite the challenges - is to provide a comprehensive understanding of the complexities involved.

Students have shown a keen interest in engaging in charity work to support children affected on both sides of the conflict. We believe that fostering empathy and taking action through charity initiatives can be a powerful way for our students to make a positive impact. The main charity we support through our chaplaincy and other work in school is CAFOD, see here the recent appeal they have launched: [CAFOD launches appeal for crisis in Israel and occupied Palestinian territory](#)

I am grateful for the support and engagement of our community during these challenging times. To gain deeper insights into our students' thoughts and feelings, we will soon be hosting a student focus group. Your feedback and perspectives are invaluable as we work together to create a supportive environment.

As someone who grew up in a divided society marked by conflict, I appreciate the importance of unity and stability. The journey to peace in Northern Ireland was not easy, and it reminds us all of the fragility of such peace. I am thankful that we can raise our children in a conflict-free zone today and that my homeland is now a place where a bright future is possible. However, I'm cautious of drawing too many parallels for I do not pretend to fully understand the complexities of the situation in Palestine - hence the school commitment to greater education for both students and staff.

I want to express my gratitude to the parents who have reached out with feedback and support. At the Ursuline, we are truly **United in Harmony**, this is the Ursuline theme we have been focusing on since the beginning of this academic year. The stability of this unity is crucial as we help our community members cope with their responses to the distressing images emerging from Gaza and Israel.

Thank you for your ongoing support and collaboration.

Fiona Stone headteacher@uai.org.uk

Please can we remind all families that we have INSET days on 23rd & 24th November, students are not expected in school for these two days.

Chaplaincy News

Pope Francis@Pontifex – 8th November 2023

Let us [#PrayTogether](#) for the people suffering due to war. Yes, they're suffering a lot. Children, the sick & elderly are suffering; many young people are dying. Let's not forget Ukraine. Let's think of the people of Palestine & Israel, that the Lord might bring them a just [#peace](#)

Forward in Joy – 366 days with Angela Merici – Daily words of wisdom from our patron saint
November: Community

10th November: Strive, each one for her part, to be faithful and devoted.

11th November: Act in such a way that they may always follow your example.

12th November: Consider that we live in the midst of snares and dangers.

13th November: Learn from Our Lord who, while he was in this world, was a servant.

14th November: Let interaction with one's neighbour be prudent.

15th November: Charity teaches discretion and moves the heart.

16th November: If you see one faint-hearted, encourage her.

The Ursuline Prayer
Gracious God,
Let us remain in harmony,
United together all of one heart and one will.
Let us be bound to one another
by the bond of love,
Respecting each other, helping each other,
And bearing with each other in Jesus Christ.
For if we try to be like this, without any doubt,
The Lord God will be in our midst.

Humanities trip to the Bay of Naples

Last week forty-six GCSE and A-level students visited the Bay of Naples in Southern Italy for a cross-curricular Geography, History, English, and the Arts trip. The students had an incredible time! Some highlights of the trip were:

- Climbing to the summit of Mt Vesuvius and learning about the recent and past eruptions of this huge volcano and why people still chose to live in an area which is prone to tectonic hazards.
- Visiting the UNESCO sites of Herculaneum and Pompeii, two Roman cities which were preserved in up to 6m of volcanic ash after the eruption of Mt Vesuvius in 79AD. This offered a unique snapshot into Roman life; frozen the moment it was buried.
- A guided tour of Naples underground which is an extensive network of caves and tunnels 40m under the bustling city of Naples. These tunnels were originally built by Romans and used as aqueducts but were used as bomb shelters during WWII.
- Exploring the beautiful coastal town of Sorrento with beautiful views, excellent shopping, and delicious food! Especially the gelato!

Throughout the trip the student's behaviour was exemplary, the teachers regularly had members of the public comment on how well behaved and polite the students were – well done! SERVIAM

Below are some photographs and quotes from students...

Y11 Students enjoying the party on the last night.

Y12 students in Pompeii

I enjoyed the Italy trip very much and had a great time exploring the different cities and learning about their culture. A highlight of the trip for me was the Naples underground tour, as the city itself was beautiful but also understanding more about their rich history and listening to the various stories and myths surrounding the city's heritage was most interesting. **Manuska Y13**

Students in a Roman amphitheatre.

The group after their shopping spree in Sorrento!

Students on the hotel balcony enjoying the views.

Y11 students in Pompeii

I had the best time in Italy! I loved exploring and learning the history of the country. The best part was spending time and making memories with my friends. One of my highlights of the trip was the underground Naples tour it was very interesting to learn about and explore the tunnels. I really liked staying in Sorrento as everywhere you looked there was a beautiful view. Overall, it was an amazing experience and wish we didn't have to leave. **Grace 11J**

Students at the Summit of Mt Vesuvius

Students hiking up Mt Vesuvius

Students at Naples Underground

Students admiring an ancient Roma mosaic in Herculaneum.

I had the most amazing time exploring the history and ruins of the Bay of Naples. My highlight though would definitely have to be walking around the city of Pompeii and seeing all of the plasters of those who once lived there. It was so surreal!! But i also really enjoyed simply walking around the hotel and in Sorrento. The views all around us were beautiful and just having ice cream with my friends was the best feeling. The trip was altogether an incredible experience and I'm so glad I went. **Christina 11T**

Italy was so fun! I really enjoyed it, it brought us all close together. I really enjoyed going to Pompeii. The food was amazing, and I got to showcase my Italian speaking skills. As a geography student, I got to learn about Mount Vesuvius and the formation of the volcano including the aftermath of the eruption! Everyone deserves a trip like this 😊 **Angelica 11U**

Views in Sorrento

A plaster cast of a Roman killed in the eruption in Pompeii.

Italy was the best trip so far! I really enjoyed the activities and learned so much information about Italy! Especially the ancient city of Pompeii and Napoli. We saw a lot of historical sites, and as a history student I learned a lot! **Sara 10U**

Laiba Khan Y13 at the Temple of Serapis

Thank you so much to Ms Colder, Ms Cooper, Ms Mackie and Mr Donovan for looking after our girls all week!

Students having breakfast in the hotel.

We are celebrating two more wonderful Jack Petchey award winners and our final two of 2023!

Lilly Patel is a long-standing member of the Friday running club and always comes with great enthusiasm no matter the weather. She is always keen to compete at the Borough Cross country match every year. Lilly also attends rowing club and Sporty Wednesday club and is also a very keen and very strong badminton player.

Benita Bannor is a remarkable student who epitomises the spirit of our Ursuline community. Her unwavering commitment to helping both her peers and staff is truly commendable, as she actively participates in duties, volunteering her time and energy to support various tasks (Breakfast club in the mornings). Benita shines as a dedicated member of the PE department, having represented the school's Netball team and Athletics squad in numerous matches and events, all while being an exceptional captain to her peers. Her unwavering positivity and determination to excel set her apart as a true role model, embodying the ideals of an Ursuline girl, making her an outstanding candidate for the Jack Petchey nomination.

Congratulations to both from all the Ursuline Academy Ilford!
Ms Eakins, Jack Petchey Coordinator

Library News

Remembrance Sunday 2023

Our November display asks us to remember all the men, women, children, and animals who died in the devastating World Wars. Those who served came from all walks of life, all countries, all cultures, all faiths. We honour their memory in gratitude for securing the freedoms we now enjoy and even take for granted.

Check out some of the books available in the library. **Ms Finlay LRC Manager**

MFL News

In their Spanish lesson this week, the girls in 8T made their own version of the Ursuline Tree showing all the values translated into Spanish!

Mr Clare, Spanish Teacher

PE News

On Monday the Year 7 and 8 netball teams played their first netball league matches of the season at home against Seven Kings. Both teams played well winning their matches convincingly. This was the first match that the teams competed against a mixed team with boys allowed to play. Year 7 won 5-2 and the player of the match was **Charisse**. The Year 8's won 4-1 with **Fola** voted player of the match. Tegra and Ayanna did a fabulous job umpiring and coaching too!

Well done to the players and thank you to the supporters both staff and pupils who stayed to watch.

The next netball training will be on Monday (13th)

Mrs Mansell, Teacher of PE

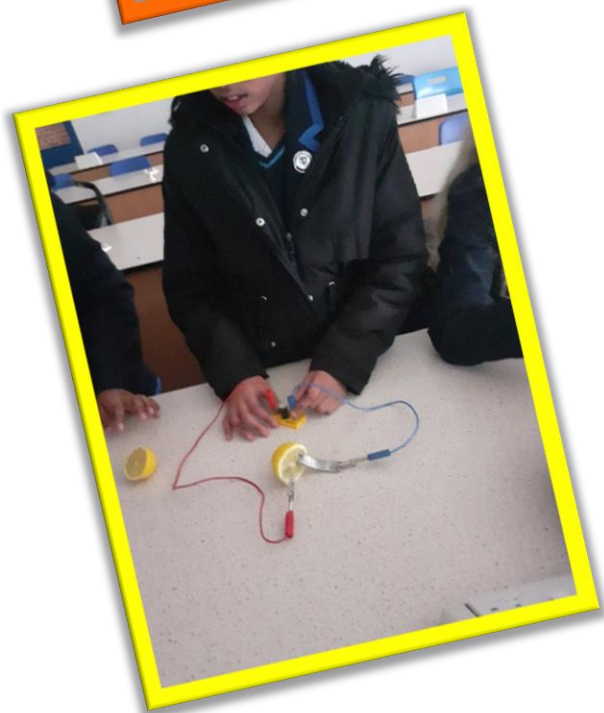

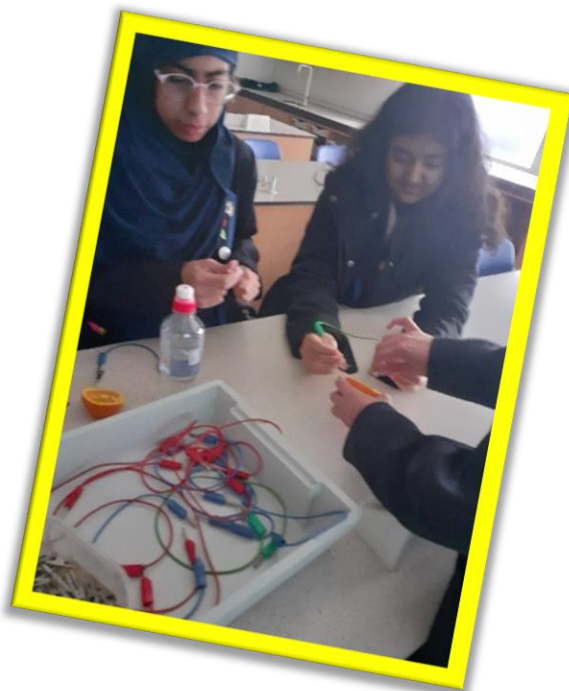

Science News

Fruit Battery

This week we made fruit batteries. Using lemons and Oranges we connected them to some copper and Zinc metal pieces and put these into the fruit samples. A bulb was connected using some crocodile clips and we tried to light the bulb using the fruits. The copper and Zinc act like the positive and negative terminals of a battery which then reacts with the acid in the juice. This allows the flow of electrons to actually light the bulb. Unfortunately, not all the fruit batteries managed to light the bulb, but it was still worth a try.

Mr Uddin and Ms Agudelo

STEM News

Design Future London Prize Day

MAYOR OF LONDON

**Design
Future
London**

Nahian Joyeta, Duaa Akbar and Sriyaanvy Ramineedi of Team Spazio Verde, proud winners of the 11-15 category of the Design Future London 2023 Competition, had an exceptional and enriching experience on their prize day in London! The day, designed with a workshop at the 22 Bishopsgate building in London Liverpool Street, provided them with a unique opportunity to not only explore the iconic building but also to delve into its core commitments, emphasising crucial values such as health and wellbeing, diversity and inclusion, environmental sustainability, and learning and education in the workplace.

Engaging with the other winners, the girls were split into groups and given a tour of the building, before being taken up to the mind-blowing 56th floor, where they were able to see a 360 panoramic view of London, offering a unique and breath-taking perspective of the city. After lunch, to encourage their creativity and align the day with the building's principles, the groups had the involvement of a design team to help them create a piece of artwork reflecting the four core values of 22 Bishopsgate. With the superb opportunity to showcase their talent and artwork to be displayed in the building's windows come January 2024, adding an extra layer of excitement and recognition for their efforts and talent to a wider audience.

Instilling a sense of responsibility towards the environment and society, an additional workshop at the London Centre, with a tour and talk by Grace Simmonds and an activity led by Azzees Minott, co-founder and COO of 2-3 Degree, seemed like a perfect well-rounded and educational experience for the girls.

DT Team.

Nahian Joyeta 10J; I had the most magical experience at 22 Bishopsgate, it was most exuberant. and opulently designed building, from its exterior to its interior design and layout which offered a friendly-faced welcome and hub of sustainability and beautiful work environment. The building is constructed of innovative glass technology, which at the 56th floor, gave us a panoramic view of London, including the Thames and the Shard. I felt like a professional in the work environment, as I learned about sustainability and the vertical village, the beauty of everything around me; astounding all my senses and in awe, I took a great liking for the interior design.

I really enjoyed the workshops too, it was great fun, especially networking with so many people including the other competition winners for our presentations. We found that we had a lot in common, especially our passion to see a more inclusive sustainable footprint of the ongoing regeneration of London for us and future generations. This day is truly memorable, as it made me and our entire **Spazio Verde** team feel empowered. It's also led me to think about how I can help society.

Careers

[Join the Careers in Business Virtual Expo on the 6th December!](#)

We will be hosting multiple live sessions covering topics such as **How to Apply to University, Careers in Law, Careers in Accounting, Supporting the Entertainment Industry, Degree Apprenticeships, Women in Leadership and much more!** There will be opportunities to interact with employers' virtual stands and visit our Careers Advice Surgery!

Organisations joining us on the day include: **UCAS, Santander, Sage, Warner Bros. Discovery and many more!**

There will also be the opportunity for 7 students to win prizes, including Amazon vouchers up to £100 from ACCA and a school or college to win a set of Success at School Guides for their students by interacting with live sessions and engaging with employers to work their way to the top of the leaderboard. [Sign up here!](#)

[All About Apprenticeships at bp - 28 Nov 2023](#)

Join us for a Miniseries Masterclass* with bp where you'll hear about all of the apprenticeships on offer, as well as tips for online assessments and assessment centres.

The first webinar provides you with an opportunity to meet with current apprentices to discuss their journey and take part in a Live Q&A with the early careers team.

Timings: 18.30 - 19.00

Who can attend: Students in Years 10-13. Parents, teachers, and careers leaders encouraged to join.

[Sign up today!](#)

[PwC Virtual Classroom Series: Free Online Webinars](#)

Location: Nationwide (Online Events)

[All About PwC School & College Leaver Programmes - 08 Nov 2023:](#)

[All About Degree Programmes - 16 Nov 2023](#)

DENTONS

[Meet Dentons: Life as a Solicitor Apprentice at the World's Largest Law Firm](#)

Are you considering a career in law? Did you know that you can become a Solicitor and gain a law degree by doing an apprenticeship? Join Dentons to find out more about applying, what the programme looks like, and how you will be supported throughout.

PLUS: Speak with current apprentices who will offer top tips about applying and tell you more about their experience!

On: 21st November 2023 at 6.30 - 7.30 pm

For: Students and parents of those in years 10 to 13. [Sign up here!](#)

**New City
College**

New City College Open Day

We are very excited about our upcoming Open Day on **Saturday 18th of November from 10am to 2pm**, which is occurring at all 8 of our campuses on the same day. This is a great opportunity for your students to come have a look at our facilities and speak to our teaching and curriculum staff about their options and choices.

Details and booking can be found through this link: <https://www.ncc london.ac.uk/open-events/>

See what it's like to study at Escape Studios on 18th November

[Escape Studios](#) is one of the leading Animation, Games and Visual Effects schools in the UK (**top 6% for full-time graduate employment***) with the aim to shape students with creative talent into studio-ready professionals.

Find out how we can help to kick-start your creative career next year.

[Book an open day](#) on **Saturday 18th November** (11:00am – 1:00pm) and explore our studio-like campus based in London's Design District, in the heart of the Greenwich Peninsula.

Can't make it to the campus? Livestream option also available.

[Book an in-person taster](#) on **Saturday 9th December** and get hands-on with industry software like **Unreal Engine, Houdini, Maya** and more!

You'll also get practical insight into a range of key creative skills and techniques from our tutors.

Can't make it in person? Tune into one of our webinar sessions on the week commencing **6th November**:

- Game Art: 6th November
- Animation: 7th November
- Character and Creature Creation: 8th November
- 3D Visual Effects: 9th November
- 2D Compositing: 10th November

[Book an event](#)

Redbridge News

It takes a special person to care for a special person.

Gloria Samuel, Service Manager for Fostering and Children with Disabilities Services in Redbridge Council, previously fostered for 20 years. Many of the children she cared for had physical and learning disabilities. Now retired from fostering, Gloria states "I don't think potential foster carers realise just how much training and support is available when looking after children who happen to be disabled or have additional needs. There are many different care packages offered to support the child and foster carers fully and the training involved is outstanding".

London Borough of Redbridge

It takes a special person to care for a special person

Foster for Redbridge
020 8708 6068
fostering@redbridge.gov.uk

If you are considering fostering and would like to know more, please email fostering@redbridge.gov.uk or call us on 020 8708 6068 or visit <https://www.redbridge.gov.uk/fosteringschools> to book a place at one of our information sessions.

We can't wait to hear from you!

Are you entitled?

Did you know...just registering your daughter for Free School Meals means that our school gets extra money!!

You can register your daughter for Free School Meals if you receive any of these benefits:

- *Universal Credit (provided you have an annual net earned income of no more than £7,400, as assessed by earnings from up to three of your most recent assessment periods)*
- *Income Support*
- *Income-based Jobseeker's Allowance*
- *Income-related Employment and Support Allowance*
- *Support under Part VI of the Immigration and Asylum Act 1999*
- *The guarantee element of Pension Credit*
- *Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)*
- *Working Tax Credit run-on – paid for four weeks after you stop qualifying for Working Tax Credit*

If you want your daughter to have a free, healthy meal at lunchtime that's great – she will get a free meal (saving you more than £400 per year!). There is NO stigma attached and no one will know because we operate a cashless payment system in our Dining Hall.

If you qualify but don't want your daughter to have Free School Meals, please still register as the school will get additional funding. Your daughter can still continue to have her packed lunch as normal!

To apply please complete the on-line Free School Meals application on the Redbridge.gov.uk website. You can apply regardless of which borough you live in because your daughter attends a school in Redbridge. It is a simple 1-page form, so don't delay, apply today!!

It is important to note that:

- Taking the meal is recommended but not compulsory
- Your daughter may receive additional help as a result of being registered, for example, help with the cost of music lessons or school trips
- No one will know and it will not affect any other benefits you are claiming
- Registering your daughter for Free School Meals will bring in more money to our school. Thank you for your co-operation!
