Headteacher's Headlines

Faith-filled
& hopeful

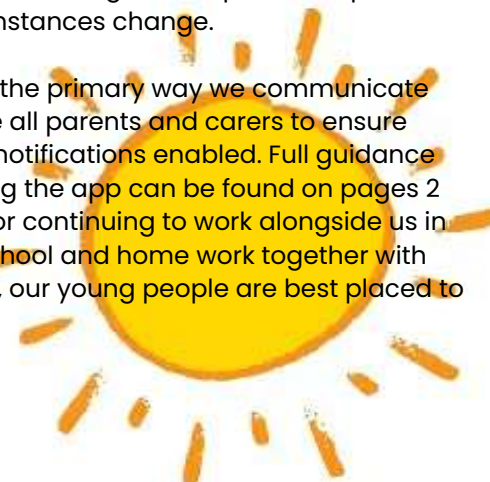

As we come to the end of what has been an exceptionally warm week, I would like to extend my sincere thanks to all parents and carers for your support, understanding and flexibility as we responded to the changing weather conditions. The circumstances required us to make decisions quickly, review risk assessments daily and communicate regular updates to families. Throughout every decision, the safety and wellbeing of your daughters remained my absolute priority, and I am incredibly grateful that, thanks to the care and cooperation of our whole community, everyone has remained safe and well.

I am immensely proud of the staff team at The Ursuline Academy. Their responsiveness, professionalism and agility throughout the week have been exceptional, they have demonstrated the very best of our Serviam ethos. Catholic Social Teaching reminds us that we are called to work for the common good, placing the dignity and wellbeing of every person at the centre of our actions. This week has been a wonderful example of our school community living out those values in practice.

The events of this week have also highlighted just how important strong communication between school and home is. As guidance and arrangements evolved, there were occasions when I needed to write to parents on a daily basis to ensure everyone had the latest information. Timely communication enables us to work together in partnership and respond effectively whenever circumstances change.

Our MyChildAtSchool (MCAS) app is the primary way we communicate with families, and I would encourage all parents and carers to ensure they are able to access it and have notifications enabled. Full guidance on downloading, setting up and using the app can be found on pages 2 and 3 of this newsletter. Thank you for continuing to work alongside us in supporting your daughters. When school and home work together with trust, openness and shared purpose, our young people are best placed to flourish.

Dear Parent/Carer,

Re: Change to School Rules Regarding Mobile Phones (Effective September 2026)

I am writing to inform you of an important update to the school's behaviour policy which will come into effect from September 2026.

As part of our ongoing commitment to maintaining a calm, safe and focused learning environment for all students, the school will implement a **mobile phone-free policy** for students in Years 7-11.

From September 2026:

Students in Years 7-11 will not be permitted to bring smartphones or smart watches onto the school site.

Smartphones and smart watches are now classified as prohibited items and may be searched for and confiscated if a student is found to be in possession of one.

Where communication is needed for the journey to and from school, we recommend that students bring a non-smart (basic) mobile phone. For clarity, a non-smart phone is defined as one that does not run apps and is not capable of accessing the internet.

Any non-smart phone brought into school must be switched off and kept in the student's bag at all times and must not be used at any point during the school day.

This change reflects the school's determination to minimise distractions, safeguard students, and promote positive behaviour and wellbeing. Evidence shows that reducing access to smartphones during the school day supports improved focus, reduces incidents of cyber-related issues, and contributes to a more positive school culture.

Where a student is found with a smartphone, it will be confiscated in line with the school behaviour policy. The first confiscation will be for 3 school days and will increase if there are further incidents.

We ask for your full support in ensuring that your child complies with this new expectation from September. By working together, we can ensure the best possible environment for learning and personal development.

If you have any questions or would like to discuss this change further, please do not hesitate to contact the school.

Yours faithfully,

G Challis

Dear Parents and Carers,

At Ursuline Academy Ilford, we are committed to providing the highest quality education and the very best environment in which our students can learn, grow and flourish. However, like many schools across the country, we are facing increasing financial pressures, making it more difficult to fund important improvements and enhancements to our facilities.

For many years, we have relied on voluntary contributions from parents and carers to help support projects that directly benefit our students. We are incredibly grateful for the generosity of those families who have contributed in the past, and thanks to previous donations we have been able to complete a number of meaningful projects. However, the number of families making voluntary donations has declined, limiting our ability to invest in future improvements.

To enable us to continue enhancing our learning environment and facilities, we are suggesting families to consider making a voluntary contribution of £25 per term. While entirely optional, this contribution would make a significant difference and help us provide the resources, opportunities and facilities that our students deserve.

We would also be delighted to discuss larger donations with individuals or organisations wishing to make a more substantial contribution to the school. Significant gifts may be recognised through appropriate acknowledgements, commemorative plaques or dedications. If you would like to discuss this further, please contact me directly at fstone@uai.org.uk.

We are committed to being transparent about how these funds are used and will provide regular updates on the projects supported through parental contributions. Every donation, regardless of size, helps us to improve the educational experience of our students and demonstrates our shared commitment to their success.

If you would like to support the school, donations can be made via ParentPay, where options for voluntary contributions are available. Alternatively, please contact finance@uai.org.uk for further information.

Free School Meals and Additional Funding:

If your daughter is eligible for Free School Meals, we strongly encourage you to register her, even if she chooses not to take a school meal. Registering for Free School Meals enables the school to receive additional government funding, known as Pupil Premium, which helps us provide extra support and opportunities for eligible students.

In addition, registered students may be entitled to assistance with educational visits, enrichment activities and other school-related costs. As we operate a cashless catering system, eligibility remains confidential and will not affect any other benefits you may receive.

Thank you for your continued support and generosity. By working together, we can ensure that Ursuline Academy Ilford continues to provide outstanding opportunities for our young women and remains a place where every student can thrive and achieve her full potential.

Yours sincerely

Chaplaincy News

Oscar Romero Participant Award Success

We are delighted to announce that our school has successfully achieved the Oscar Romero Participant Award, recognising our commitment to living out the principles of Catholic Social Teaching through faith, action and service.

This award celebrates the many ways in which our school community seeks to place human dignity, solidarity and the common good at the heart of everything we do. It reflects the compassion, generosity and social awareness demonstrated daily by our students and staff.

A special thank you must go to our Year 13 Head Girl Team, whose enthusiasm, leadership and dedication played a significant role in supporting the application process. Their commitment to promoting social justice and encouraging others to put faith into action has been a wonderful example to the whole school community.

As part of our Catholic mission, we continue to be inspired by the values of Catholic Social Teaching. These values were summed up by Andy Burnham, MP, who said: "Catholic social teaching underpins my politics." (The Times)

This simple statement highlights the enduring importance of principles such as human dignity, solidarity and care for the most vulnerable—principles that lie at the heart of the Oscar Romero Award and our school's mission.

Achieving Participant status is an important milestone, but it is only the beginning of our journey. We look forward to continuing to deepen our understanding of Catholic Social Teaching and finding new ways to serve our local, national and international communities.

Curriculum Enrichment Day

Our recent Year 10 Curriculum Enrichment Day, "Being the Light!", was a wonderful celebration of faith, friendship, and hope. We were delighted to welcome students from two fellow Ursuline schools and spend the day sharing our thoughts about our hopes, fears, faith, and future aspirations. Through meaningful discussions and activities, we strengthened our connections as part of the wider Ursuline family. The day was filled with energy and joy as we learned some Bachata dance moves, enjoyed music together, and reflected on what it means to be a light in the lives of others. A particular highlight was hearing the powerful story of hope, forgiveness, and resilience from Margaret Mizen, whose inspiring message reminded us of the importance of choosing joy, showing compassion, and being the light in our world every day.
