Headteacher's Headlines

Courageous & resilient

As we begin a new school year, our whole-school assembly this week invited students to reflect on two important Ursuline virtues: courage and resilience. A new beginning brings excitement and opportunity, but it also asks something of us: the courage to try, to speak with kindness and honesty, and sometimes to do what is right even when it is difficult; and the resilience to keep going when things do not immediately go our way. Drawing on Sunday's Gospel, we reflected particularly on Jesus' call to approach one another with honesty, dignity and a desire for reconciliation, reminding us that courage is not simply about being bold, but about how we treat and serve others. As we embark on the year ahead, I have encouraged every member of our community to live out our *Serviam* calling: to be courageous in our choices, resilient in the face of setbacks, and determined to put our faith into action.

I have also been delighted by the excellent start made by our Year 7 and Year 12 students, both of whom are navigating important transitions in their Ursuline journey. Our new Year 7s have settled remarkably well into secondary school life, quickly embracing new routines, friendships and opportunities, and I know you will enjoy reading Mr Donovan's article and seeing the photographs below which capture something of their first days with us. Meanwhile, Year 12 have begun their transition into sixth-form life with real enthusiasm and maturity. On Tuesday, they enjoyed a fantastic day learning about democracy in action, and next Monday they will head into the capital for their London Scavenger Hunt, an opportunity to build friendships, confidence and that all-important sense of belonging as they begin their UA6 journey. It has been a joy to see both year groups beginning this new chapter with such positivity.

I have thoroughly enjoyed leading assemblies this week to personally welcome **all** students back to school!

Finally, I would like to welcome the following new members of staff to the academy who have also settled into Ursuline life seamlessly.

Mrs Davey – head of Humanities

Ms Ali – Geography teacher

Mr Wong – Science teacher

Dear Parent/Carer,

Re: Change to School Rules Regarding Mobile Phones (Effective September 2026)

I am writing to inform you of an important update to the school's behaviour policy which will come into effect from September 2026.

As part of our ongoing commitment to maintaining a calm, safe and focused learning environment for all students, the school will implement a **mobile phone-free policy** for students in Years 7-11.

From September 2026:

Students in Years 7-11 will not be permitted to bring smartphones or smart watches onto the school site.

Smartphones and smart watches are now classified as prohibited items and may be searched for and confiscated if a student is found to be in possession of one.

Where communication is needed for the journey to and from school, we recommend that students bring a non-smart (basic) mobile phone. For clarity, a non-smart phone is defined as one that does not run apps and is not capable of accessing the internet.

Any non-smart phone brought into school must be switched off and kept in the student's bag at all times and must not be used at any point during the school day.

This change reflects the school's determination to minimise distractions, safeguard students, and promote positive behaviour and wellbeing. Evidence shows that reducing access to smartphones during the school day supports improved focus, reduces incidents of cyber-related issues, and contributes to a more positive school culture.

Where a student is found with a smartphone, it will be confiscated in line with the school behaviour policy. The first confiscation will be for 3 school days and will increase if there are further incidents.

We ask for your full support in ensuring that your child complies with this new expectation from September. By working together, we can ensure the best possible environment for learning and personal development.

If you have any questions or would like to discuss this change further, please do not hesitate to contact the school.

Yours faithfully,

G Challis

Pope Leo XIV @ Pontifex – 8 September 2026

Today we celebrate the birth of a little girl who would be called to become the Mother of her Creator, the Mother of God. Yet, she is born simply as a little girl, like the daughters and granddaughters we hold in our arms. We bestow upon her the most exalted and noble titles, such as Our Lady and Queen, but God's way was and remains simpler and quieter, yet no less powerful and transformative. It is the way of Jesus Himself. [#NativityOfMary](#)

Forward in Joy – 366 Days with St Angela Merici – Daily Words of Wisdom from our Patron Saint

September: Live

10th September: Blessed are they who try to preserve within themselves this noble yearning.

11th September: May she voluntarily give her heart to God.

12th September: Pray always with spirit and mind on account of the constant need for God's help.

13th September: Comfort them, so that they may go forward willingly.

14th September: They should want to be united.

15th September: Be happy, and always full of charity and faith and hope in God.

16th September: If you see one timid and inclined to despondency, promise her the blessing of the mercy of God.

September: Our Lady of Sorrows

The month of September is dedicated to **Our Lady of Sorrows**, a title given to Mary as she suffered alongside Christ during his passion.

Our Lady of Sorrows is one of many titles bestowed upon Mary. This title is derived from Simeon's prophecy during Jesus' presentation at the Temple in the **Gospel of Luke, Chapter 2:**

"The child's father and mother were amazed at what was said about him; and Simeon blessed them and said to Mary his mother, 'Behold, this child is destined for the fall and rise of many in Israel, and to be a sign that will be contradicted (and you yourself a sword will pierce) so that the thoughts of many hearts may be revealed.'"

Luke 2:33-35

The Church celebrates the feast of Our Lady of Sorrows on Sept. 15, calling on the faithful to reflect on the seven sorrows of Mary. These seven sorrows include:

1. the prophecy of Simeon Luke 2:25-35
2. the flight into Egypt Matthew 2:13-15
3. loss of the Child Jesus for three days Luke 2:41-50
4. Mary meets Jesus on his way to Calvary Luke 23:27-31; John 19:17
5. Crucifixion and Death of Jesus John 19:25-30
6. the body of Jesus being taken from the Cross Psalm 130; Luke 23:50-54; John 19:31-37
7. the burial of Jesus Isaiah 53:8; Luke 23:50-56; John 19:38-42; Mark 15:40-47

SAINT JEROME
Pray For Us

St Teresa of Calcutta.

Feast Day: 5th September.

Mother Teresa was born in Macedonia and was of Albanian heritage. Her father died when she was young, and she was brought up by her devoutly religious mother. She entered religious life in 1928 in Ireland and was sent by her order to India. It was there, while reflecting on the immense love that Jesus has for all of humanity, that she received the call to set up the Missionaries of Charity.

Thanks to God, through her effort, the Missionaries of Charity spread throughout India, Europe and Africa, eventually opening houses in Australia, the Middle East and America. By 1997, the year of her death, her sisters had established foundations in 123 countries. While Mother Teresa is famous for caring for the poor and marginalised, her Catholic witness goes much deeper.

St Teresa is important as she offers a model of how to live an authentic Catholic life. The Apostle John wrote, **"let us not love with word or with tongue, but in deed and truth."**

In terms of racial justice, Mother Teresa embodied this so well.

Mother Teresa was able to avoid the traps of tokenism, positive discrimination or tribal mentalities. She recognised the image of Christ in each person she encountered and appreciated that we not just connected as one human species, but that we are truly brothers and sisters and can love each other as sisters and brothers.

Mother Teresa's faith and Catholic formation meant that she understood that each person had not just dignity, but infinite dignity. She was able to care for the whole person – their physical needs, their mental health and their spiritual health.

Library News

Over the summer, our school library had a remarkable transformation! Up until now, our library was organised exclusively by author's surnames. Now – with lots of generous help from students and staff (especially Ms Whates!) – our librarian was able to reclassify the hundreds of fiction books we have in our school, organising and reshelving them by genre.

General Fiction
Historical Fiction
Science Fiction
Fantasy
Mystery/Thrillers
Classics
Horror
Romance
Humour
Graphic Novels

This new system makes it far easier for students to locate the types of books they know they enjoy, helping them to find the story that's right for them. It's also now far simpler for students to branch out and discover genres they may have previously overlooked, encouraging them to diversify their reading tastes and try new things!

Since they were welcomed back on Monday, our students have reacted positively to the library's simple but advantageous transformation. Over 180 books have been checked out already! Our librarian is hopeful that this passion for reading will continue throughout the new academic year, and our girls will keep making use of the many wonderful books we have to offer.

UA6 News

It has been absolutely wonderful to welcome our **Year 12** students to UA6 for a new academic year, and what a fantastic start to the week it has been!

It has been absolutely lovely to see so many familiar faces, and just as lovely to welcome and get to know our new students who have joined our wonderful Ursuline sisterhood. As Head of Year, I am already so incredibly proud of them and of how well prepared, organised and enthusiastic they have been. I have heard so much positivity about how hard-working they are in lessons, how engaged they are, and how polite and respectful they have been.

You will read about our trip to Parliament this week below, where I was also told by members of the security team just how wonderful our Year 12 cohort were. This is such a fantastic reflection of the young people they are becoming and the values they represent.

A huge well done to every single one of them. Starting a new academic year can be hard and overwhelming, particularly when stepping into such an important stage of their education, but I have complete faith in each and every one of them.

It has also been absolutely wonderful to welcome back our fantastic **Year 13** cohort to UA6, and what a positive start they have already made to their final year with us!

As the most senior students in our school, they have an important role to play as leaders and role models. It has been fantastic to see how ready, organised and positive they have been as they begin this important year. I am incredibly proud of them and know they will continue to lead by example, inspire others and make the most of their final year with us.

I know our students will succeed, thrive and completely embrace everything that it means to be part of our Ursuline community throughout this academic year.

Here at Ursuline, we believe in **Believing, Belonging and Becoming** – and I cannot wait to see both our Year 12 and 13 students live these values throughout the year ahead.

UA6 Democracy Day Trip!

On democracy in Action Day, I had the opportunity alongside my friends and teachers to visit the Royal Courts of Justice in London, which was a really interesting and enjoyable experience. It was especially exciting to visit such an important and historic building and learn more about how the UK's justice system works. During the day we were able to explore the different courts and court rooms, learn about the role they play in the legal system, and take part in activities and discussions that helped us understand more about democracy and law. We saw many different paintings inside which were of historical legal figures. We also had the chance to ask questions and sit inside a few courtrooms while the action was taking place. One of my favourite moments was actually being inside the royal court's courtrooms watching a trial seeing the lawyers and judges. We also learnt so many different facts and details, such as the wigs which are worn by the judges and barristers, are made from horse tail hair! Overall, I really enjoyed this trip and made my passion for law greater than it already was and taught me a lot.

UA6 Democracy Day Trip Continued!

On Tuesday 8th September, me and my classmates took part in the Democracy in Action Day at Parliament. It was a highly educational trip which taught us more about the way our government is run. The tour showcased both the House of Lords and Commons and allowed us to understand Parliament first hand. It included details describing how to become a member of the House of Lords and showed us several bills yet to be passed – one of which included the Representation of The People bill (which directly affects youth). Our tour guide also included seeing the House of Commons and understanding more about our own local MP and his jobs – including as Defence Secretary. I really enjoyed asking questions to members of Wes Streeting's department as it gave me more context and knowledge about day-to-day work in politics. Overall, the trip was informative and showed the inner workings of Parliament in a greater detail which will help me and others get more involved in politics even if it's only as an extracurricular activity.

Welcome New Year 7!

It has been a real joy to watch our new Year 7 students begin to settle into our school. They have approached it with gusto and are really embracing the Serviam ethos of an Ursuline school. They have been with us for a week now and have learned about lots of things including the importance of their class saint, they have written and decorated cards introducing themselves to her.

They worked really well in teambuilding activities (see picture below in the Gym!), throwing themselves into life here at UAI. Many of them came to our school not knowing anyone or only having one or two people that they know in a big group of 120 pupils. I as their Head of Year am really proud of all the hard work they are doing and trust that it will continue throughout their school journey here at Ursuline Academy Ilford.

Mr Donovan, Head of Year 7
