Dear Parents/Guardians

Headteacher's Headlines...

We are trying to increase our social media presence by posting a range of events and information on the following sites: twitter, facebook and Instagram. You may have noticed if you follow us that we've been quiet for a while, but we're back!

You may be aware from media coverage that the NEU has declared strike action, which will take place on **1st February, 2nd March, 15th & 16th March** for the London region. The strike is happening because of a national dispute between the unions and the government over teachers' pay and school funding levels, and not because of any issues at our school.

I'm getting in touch to give you as much notice as possible that learning may be disrupted on the dates above. We're considering several options, including moving some lessons online and closing the school. **We recommend that you start to make alternative childcare arrangements for these dates.**

I'm sorry about the potential disruption to you and to your child's education. I understand that this situation may be frustrating, and ask that all members of our school community continue to treat each other with respect. The Ursuline Academy remains committed to providing a safe and secure environment for our pupils and delivering high-quality teaching.

We are working closely with our staff union representatives to keep up to date with the situation, and I will inform you of the final arrangements as soon as possible. I will keep you updated via the school website, the newsletter and will send direct correspondence via letters when we have more details.

If you have any questions, please contact enquiries@uai.org.uk.

Just a reminder that our school will close at lunchtime (12.40p.m.) on Friday 27th January, as we celebrate the feast day of our founder, St Angela Merici.

I am really looking forward to our 6th form open evening on Thursday evening at 6pm. It would be wonderful to have all our Year 11 pupils join us!

Ursuline Academy Ilford

Polite request: If you are changing your daughter's blazer because they have outgrown it, please could you donate the old one to us!

And finally, please see PowerPoint slide (page 9) that was shown in our PSHE lessons on Thursday. Please can I ask that you reiterate the rules with your daughter, as I have had to confiscate a number of phones today, which means that the girls will be without them over the weekend!

Pope Francis@Pontifex – 19th January 2023

Through #Prayer, the #WordofGod comes to abide in us and we abide in it. The Word inspires good intentions, sustains action. It gives us strength and serenity. When we are confused, it grounds the heart in confidence and in a love that protects us from the attacks of the evil one.

Forward in Joy – 366 days with Angela Merici – Daily words of wisdom from our patron saint
January: Trust

20th January: In these pestilential times, you will find no other recourse than at the feet of Jesus Christ.

21st January: Without doubt you will see marvellous things.

22nd January: God only wants what is for your good and joy.

23rd January: They should place their hope and love in God alone, and not in any living person.

24th January: Jesus Christ will enlighten you.

25th January: Living all united in heart, you will be like a mighty fortress.

26th January: We will find thorny and rocky roads becoming flower-strewn for us.

MFL News

Year 7 and 8 French club.

This week, our students sang and danced to ‘Sur le pont d’Avignon’, which is one of the most famous children songs. It is about a dance performed on the Saint-Bénézet bridge in Avignon, in the South of France. It dates back to the 15th century. They also enjoyed some Carambar sweets and translated the jokes inside the wrapper. Super!

Queen of Chess Tournament

UAI Queen of Chess Tournament began in November 2022. Students from the whole school were invited to take part in the tournament. Two students – **Lois Graham** and **Sumaya Riaz** got into the final and competed against each other today in the main hall during lunchtime. Students from across all year groups came to show their support to the finalists. We were proud to see them participate thoroughly in the tournament and get better as they progressed through the rounds of matches. Credit to Lois and Sumaya; they delivered a fascinating series of matches and got the audience cheering for them. Finally, congratulations to Lois winning the UAI Queen of Chess Tournament 22/23.

Ms. Filipe and Mr. Fan (Chess Club)

Lois Graham (12.2) – Champion

The tournament final was very fun. I must admit Sumaya played impeccably well and deserved to win because of her amazing talent in chess. I would also like to say a big thank you to everyone who helped with setting up the game, especially Mr. Fan and Ms. Filipe.

Sumaya Riaz (11T) – Runner-up

Playing chess today was a nerve-wrecking experience especially against such an excellent player. A huge congratulations to Lois. It was a well-

deserved win and I'm honoured to have had the chance to play against her. Thank you so much to Mr. Fan, Ms. Filipe and everyone who has helped out and supported me throughout the competition.

Science News

Science Club Week 11: Fruity batteries

Did you know that citrus fruits can conduct electricity? This week the girls investigated which fruit (grapefruit, lemon, lime or orange) was the best at conducting electricity? Can you think of any other fruits that might be good at conducting electricity? The science club students found that limes produced the greatest voltage of 0.6V.

Many thanks for my helpers, *Lily* (Yr.9), *Laiba* (Yr.12) & *Ms. Agudelo*

Mobile Phones:

- Should never be visible in school
- Should never be used in school
- Should never be switched on in school

If a student breaks the above rules, the phone will be confiscated and kept until the next school day when a parent or carer will need to attend school to have the phone returned.

Several phones have been confiscated recently due to girls being caught using them including to record videos in the toilets. We are now monitoring CCTV around the building to ensure these rules are adhered to.

If you do not want your phone to be confiscated, **leave it at home or switched off in your bag.**

A Weekly Gift to you and your family from your Catholic School

THE Wednesday
WORD

SHARING SUNDAY'S GOSPEL WITH PARENTS & FAMILIES

Dear Parents and Carers,

In this Sunday's Gospel, we hear about Jesus starting to gather together the first Christian community.

Christian communities (just like families) are never perfect - even Jesus' closest disciples weren't always the ideal set of people. However, everyone works better with others in community.

Our schools and parish communities were founded to be places of love, friendship, security and inclusiveness.

Wednesday 18th January 2023

People in the past answered Jesus' call to form our Catholic school communities which now welcome and support us and our children. Now it's our turn to continue the work, to build on and develop the warm and loving community of our school - together.

Enjoy a very special time together this evening, hearing your child's thoughts about this Sunday's Gospel and this Wednesday's word, which is **COMMUNITY**.

THE GOSPEL IN CHURCH Sunday 22nd January 2023

Hearing that John the Baptist had been arrested, Jesus went back to Galilee and settled in Capernaum, a lakeside town. From that moment Jesus began his preaching with the message, "Repent, for the kingdom of heaven is close at hand." As he was walking beside the Sea of Galilee, he saw two brothers, Simon, who was called Peter, and his brother Andrew; they were making a cast in the lake with their net, for they were fishermen. And he said to them, "Follow me and I will make you fishers of people." And they left their nets at once and followed him. Going on from there, he saw another pair of brothers, James, son of Zebedee, and his brother John; they were in their boat with their father Zebedee, mending their nets, and he called them. At once, leaving their boat and their father, they followed him. Jesus went round the whole of Galilee teaching in their synagogues, proclaiming the Good News of the kingdom and curing all kinds of diseases and sickness among the people.

Adapted from
Matt. 4:12-23 (the 3rd Sunday in Ordinary Time, Year A)

Everyone can learn more about this Gospel in Church - all are warmly invited.

"Dear brothers and sisters, be an active presence in the community." *Pope Francis*

THE Wednesday
WORD **CONNECTING HOME, SCHOOL AND PARISH THROUGH SUNDAY'S GOSPEL**

When we read the Gospels, we see that Jesus gathers round him a community which receives his word, follows it, shares in his journey and becomes his family. Jesus came for everyone and with him we, and our children, will never be on our own.

1 Our Special Time Together

Enjoy reading the Gospel overleaf (or below for younger children)

One day, as Jesus was walking beside the Sea of Galilee, he saw two fishermen, Peter and his brother Andrew. They were fishing and Jesus called to them, "Follow me. From now on you will be gathering people instead of fish." Straightaway they left their nets and followed Jesus. Then Jesus saw two other brothers, James and John, who were also fishermen. When Jesus called them to follow him, they were in a boat with their father, Zebedee. But they too followed Jesus at once.

What did Jesus say the fishermen would be gathering from now on? Which word stood out for you in this Gospel, and why? What does the picture make you think about?

2 Wednesday's Word is ...

COMMUNITY

3 Loving God & Each Other

"Whatever gifts and talents we are given by God are to be shared with the entire community." *St Baldwin of Canterbury*

In this Sunday's Gospel, Jesus starts to form a community. Ask your child what the word 'community' means to them. Which communities do they belong to (e.g. family, cubs, brownies, football, etc.)? Another word we could use for our school is 'community'. What does your child enjoy most about their school community? Can they remember who made them feel really welcome when they started school?

"The family is a community of love where each of us learns to relate to others and to the world around us." *Pope Francis*

Each of you name at least one thing that other family members are good at, which could help strengthen the family community. Without our own unique contribution to our community, something valuable will be missing. How can we also use our gifts for the good of the different communities we belong to? Perhaps we can: join a school team; welcome new people into our community; volunteer to use a gift or skill to help out with a project; join with others to organise a family fun night at school; support a fundraising event.

Dear Lord Jesus, thank you for our school and parish **communities**. Please help me say "Yes" to you, and enrich the **communities** to which I belong. Amen.
